CERTIFIED RETURN RECEIPT P 657 442 176

Mr. Jerry Glazier
5M, Incorporated
P.O. Box 752

Dear Mr. Glazier:

Re: Follow-up to Tentative Approval, Final Reclamation Plan, 5M, Incorporated, Silver Reef Mine, M/053/002, Washington County, Utah

On March 1, 1989, the Division issued tentative approval to 5M, Incorporated for the final reclamation plan for the Silver Reef Mine in Washington County, Utah. A condition of this tentative approval required the operator to post an additional reclamation surety in the amount of \$46,790. This surety was to have been provided to the Division within 60 days following the issuance of the Tentative Approval, or by May 1, 1989. The operator has failed to post the required surety.

The 30-day public comment period has passed with no adverse objections received. Final approval of this reclamation plan cannot proceed without the Division's receipt of the appropriate reclamation surety. Without final approval, 5M, Incorporated is in direct violation of the Utah Mined Land Reclamation Act.

Please be advised that failure to submit the reclamation surety to this Division within 30 days of your receipt of this letter will result in the issuance of an Order to Show Cause to appear before the Board of Oil, Gas and Mining. Issuance of Tentative Approval may be revoked and immediate reclamation of the present mining related disturbances required of 5M, Incorporated. If there are extenuating circumstances whereby you will be unable to meet this filing deadline, please advise the Division accordingly. We will do our best to work with you on a more acceptable time frame for submittal of this reclamation surety.

Sincerely,

Lowell P. Braxton
Associate Director, Mining
